In Our Prayers...

We are thankful for this beautiful spring and for God's presence in creation.

- Today we pray for Laura, who is now settled in at her in-patient treatment for 4-6 weeks as she works on her health. She'd love cards- send to Laura Collins, [475 Spring Lane Philadelphia, PA 19128](#).
- We pray for an Oelhaf House resident and her new baby, who was born on Friday! And we also pray for a mom who is moving in with her 2 teenage daughters next week.
- We pray for people struggling with depression and other mental health challenges, and for

those who love them.

- We pray for peace in Gaza and Israel, and for US college campuses, their students, and faculty as they figure out ways to make space where people of differing minds can speak about political issues that matter. We pray for antisemitism to cease, and for meaningful last days of Passover to those who celebrate it.
- What are you praying for today?
