In Our Prayers...

Today we pray for the many groups suffering in the Middle East, as the conflict has heated up in Lebanon with recent attacks. We pray for a deescalation of violence and for pathways to peace. We pray for a ceasefire in Gaza and a return of all living hostages.

We pray for Diane as she adjusts to her new companion of an oxygen tank that helps her get around and breathe easy. Help her new companion not get in the way of her enjoyment of life and feeling connected to her older friends!

We pray for Roberta, who is in Holy Name Hospital.
