Coming Up

Mission Study Congregational Event Nov. 2

Telling Our Stories. As part of our Mission Study, we will have our first churchwide congregational event on Sunday, November 2nd, following morning worship.

Everyone is invited to this session centered on creating a timeline of events and stories that have defined our church over its history, putting an emphasis on more recent ones, and reflecting on these findings.

SHARE YOUR Time & Talent (Form)

We need to be reminded often that church is not a noun but a verb. It is a mission and not a membership. Finding ways to help out the church in her ministries is something we all can do to keep this true.

On the Ark, we have a **Time and Talents Form** which lists various ministries to get involved in—everything from singing in the choir, to helping lead Sunday School, to visiting church members who are homebound, to doing miscellaneous jobs around the property, to serving on a committee.

There is **something for everyone**, to ensure what we're doing is a collective and not the work of a select few. Take a few moments to fill out the sheet and express your interest in a particular ministry or two.
